Uppermill Advent is a life-sized Advent calendar in the windows of homes, businesses and churches all around Uppermill. At least one window is revealed each day from December 1st to 24th.

All of the windows should be lit from 4 to 9pm each evening from their start date until the new year, but please be aware that we cannot guarantee this, as household circumstances may change.

Uppermill is known for its narrow roads and pavements, please take care as you go around the Advent Calendar. If you plan to drive round please note that it is not feasible to drive into Saddleworth Fold. There is a footpath (no roadway) linking the two parts of Springmeadow Lane.

We are very grateful to everyone who takes part and creates a window. The emphasis of Uppermill Advent is to encourage everyone to join in and to have fun. We are always happy to welcome returning regulars, and would love to hear from anyone who would like to take part.

We hope you enjoy Uppermill Advent, please use Facebook, or Instagram to let us know if you have visited using @uppermilladvent and #uppermilladvent
